

# NSCA Technician Training and Apprenticeship Registration 2010

## Critical Information

**Materials Included:** Custom bound books.  
(OJT Booklet provided with apprenticeship registrations)  
Students and Facilitators will also receive a log-in and password with access to NSCA e-learning system.

\*In order to guarantee delivery of materials prior to the first day of training, registrations for students and facilitators must be received no later than December 21, 2009.

**Start date:** January 11, 2010 (years 1, 2 & 3)

**End Date:** September 19, 2010 (year 1)

**End Date:** September 12, 2010 (years 2 & 3)

## West Penn Rebate Program

From January 1– December 31, 2010 registered candidates who successfully complete the NSCA Technician Training Programs or Certification exams may earn rebate dollars from West Penn Wire in amounts up to 2%. These rebates will be issued and tracked by West Penn Wire. Rebates will come in the form of material credit.

NSCA will communicate to remind eligible candidates to submit claim forms during the month of December.

For more information on this program please call NSCA University at 800-446-6722.

## NSCA Technician Training Cancellation Policy

If you cancel prior to December 21, 2009 registration fees less a \$50.00 service charge per person will be refunded. No refunds will be made after December 22, 2009. It will be the responsibility of the participating company to find a replacement student.

Check this box and sign below to show that you have read and understand this policy.

.....  
In compliance with the Americans with Disabilities Act (ADA), NSCA will make individual arrangements for any attendees who require special assistance. Please contact NSCA at (800) 446-6722 with any needs you might have.

## NSCA Education Credit Usage Policy

NSCA Education Credits may be used for many NSCA University education classes or events. For this online class you may use up to **25% of education credits** for the cost of each module or the total package.

- Credits may not be used toward certification exam fees.
- Credits must accompany original payment and be redeemed by the expiration date. Credits cannot be applied to past events.
- Credits are non-transferable and may not be redeemed for cash.
- Credits may not be redeemed for purchases made in the NSCA Bookstore or for selected self-guided online training programs.
