

FSR Presents Perfect iPad Accessories

Woodland Park, NJ • September 18, 2012 -- -- [FSR](#), manufacturer of audio and video switching, control products, and connectivity boxes, has introduced the perfect accessories for the popular [iPad® tablet](#); a [secure wall holder](#) and a [PoE to USB charger](#).

Engineered for strength, but designed for elegance, the holder mounts to a standard 2-gang wall box and provides an attractive, safe and secure method to mount an iPad to a wall in either landscape or portrait mode. The tasteful housing features curved edges, no visible hardware and is available in white, silver and black.

The iPad holder is compatible with the iPad® 2 and the new iPad®, and is available with or without access to the home button and camera to fit any application requirements.

Charge the iPad with the new [USB to PoE module](#). The module meets the Apple iPad charging standards and can be used stand alone, with a table box or with the iPad holder. It can easily fit inside the 2-gang wall box behind the iPad mount for a clean installation.
