

ENTRY FORM

NSCA EDUCATION FOUNDATION SYSTEMS INTEGRATION ANNUAL CHARITY GOLF OUTING

The mission of the NSCA Education Foundation is to advance educational opportunities by providing scholarships and awards to assist existing professionals and those pursuing careers within the low-voltage electronic systems integration industry. The Foundation is committed to the growth of the industry by providing access to the best education and latest techniques available. The Foundation, a 501c3 charitable organization, promotes and engages current and future electronic systems integrators in educational experiences to enhance the growth, professionalism and business skills needed in the electronic systems industry. For more information, visit www.nscafoundation.org.

**Send Entry Forms &
Payment to NSCA.**

Check or credit cards accepted.

1. A scramble means that all team members tee off on each hole and then decide which tee shot they like the best and mark the spot with a tee or ball marker.
2. The other team members pick up their balls and place them within one club length (no closer to the hole) of the marked spot. Each team member hits their next shot from the chosen spot of the prior shot.
3. If the ball you choose to play is in a hazard (sand, water, etc.), the rough, or out of bounds, you cannot drop the ball outside of the hazard or rough even if relief is within one club length away.
4. This procedure is followed on every shot for the remainder of the hole, including putts. The ball should be marked on the putting green also.
5. Putts need to be made within 3 inches of the marked spot (no closer to the hole). The first ball to go in the hole is counted for the team score. When putting, once any ball is holed out, no further strokes count. The team is cautioned not to make "tap" in putts until all team members have had the opportunity to attempt the team's original putt.
- 6. Each player's tee shot must be used at least two times during the 18-hole competition.**
7. Threesomes are permitted to rotate a fourth shot from each ball location. In other words, one person will be hitting twice from each position. However, the person hitting two shots cannot do so consecutively. (For example, it's Player A's turn to hit two shots. The other team members must play their ball in between Player A's two shots.)
 - a. The rotation should be set at the beginning of the round, and remain constant throughout.
 - b. An example of this would be:
 1. Hole 1 shot 1 : ABCA
 2. Hole 1 shot 2 : BCAB
 3. Hole 1 shot 3 : CABC
 4. Hole 1 shot 4 : ABCA
 5. Hole 2 shot 1 : BCAB
8. In the event of a 5 person team. Only 4 are allowed to tee off, **and play** each hole. Members must rotate with one person sitting out each hole. (For example, If Rotating Players A – E with A playing the first hole and Player E sitting out, Player A, would sit out on holes 2, 7, 12, 17. Player B would sit out holes 3, 8, 13, 18 and so on.)
9. Men will play the **WHITE** tees. Women will play the **RED** tees.
10. All U.S.G.A rules will be in effect.

Tiebreaker: U.S.G.A. method
