SYNNEX Corporation Recognized as 2015 North America Distributor of the Year at the Aruba Networks Americas Partner Summit

Greenville, SC - March 16, 2015 - [SYNNEX Corporation](http://www.synnex.com) (NYSE: SNX), a leading distributor of IT products and services, today announced that it has been honored as the 2015 North America Distributor of the Year at the Aruba Networks Americas Partner Summit held in Las Vegas, Nevada. SYNNEX is recognized for its achievements across the US and Canada in the areas of sales, expertise in delivering Aruba solutions and commitment to customer service. Since 2011, SYNNEX has collaborated with Aruba under its [CONVERGESolv Secure Networking](#) group, which provides end-to-end

solutions to help resellers build their customers' networks, add applications and secure each network seamlessly.

"SYNNEX is honored to receive this recognition from Aruba, and we value their shared commitment to helping drive our CONVERGE Solv group's mission of delivering both best-of-breed and emerging technologies to resellers in a manner that positions them as trusted advisors in the IT channel," said Reyna Thompson, Vice President, Integrated Communications, SYNNEX Corporation. "The new era of technology centered on mobility, cloud, big data and social enterprise, is driving the need to expand and upgrade at every layer of the network, especially during the final stages of wireless connectivity. Together, SYNNEX and Aruba have bridged the gap within this new era of wireless infrastructure for the channel across all market segments."

"Our channel partners and distributors are a vital part of Aruba's success, and we are fortunate to work with some of the best in the business," said Jim Harold, vice president of Americas channels for Aruba Networks. "This year's award recipients represent the highest levels of wireless technology expertise and commitment to delivering industry-leading customer service, and we are thrilled to recognize them for their achievements. We congratulate SYNNEX for being named the 2015 North America Distributor of the Year, and we thank them for the extraordinary work they do addressing customers' mobility needs."

In addition to Aruba's full portfolio of networking products and services for mobile enterprise, SYNNEX offers installation and on location site surveys across North America, free RF plans, a top-ranked demo program automated with unlimited usage and free competitive displacement bill of materials. SYNNEX provides a dedicated engineering and sales team, industry-leading response times, flexible and creative financing options, the Qwik-Quote pricing tool, high levels of on-hand inventory and exclusive programs such as the Aruba VIP Partner Program.
