NSCA Education Foundation Announces Rock-Star Sponsor Lineup for Drunk Unkles' June 18 Event

May 14, 2014, Cedar Rapids, IA - The NSCA Education Foundation is pleased to announce a rock-star sponsor lineup for the annual Drunk Unkles party and performance on the opening day of InfoComm14 exhibits: Wednesday, June 18, 2014.

Dubbed **Insanity at Vanity**, the Drunk Unkles event will open to attendees at 8:30PM at the Hard Rock Hotel in Las Vegas. As it has in the past, the event will draw thousands of audiovisual industry professionals to Club Vanity for a night of entertainment. Event attendees include manufacturers, dealers, distributors, integrators, exhibitors, members of the media, and show attendees who come to hear the Drunk Unkles, network with their peers, and help raise money for the NSCA Education Foundation.

Industry greats around the world stepped up to help with the fundraising. Among them were AMX, AV Services, Barco, Biamp, Chief, Christie, FSR, IVCi, Liberty AV Solutions, NEC, Prysm, rp Visual Solutions, Sennheiser, Sharp, Stewart Filmscreen, SurgeX, Synnex, West Penn Wire, and Whitlock.

The event's success is also due to Drunk Unkles members and their supporting sponsor companies: Felix Robinson from AVI-SPL, Mike Sinclair from Audio Incorporated, Mike Phillips from BMG Hudson, John Cardone from Cardone Solomon & Associates, Marc Hochlerin from Cerami & Associates, and Steve Emspak from Shen Milsom & Wilke.

Drunk Unkles' resident Uncle, Steve Emspak, partner at Shen Milsom & Wilke, states, "Our annual party is a result of the work and stewardship of many AV professionals from leading industry companies. We could not have this event without them, and we are grateful for their sponsorship."

NSCA Education Foundation Executive Director Chuck Wilson adds, "The Foundation is tremendously appreciative of the work of the Drunk Unkles and their efforts to help our organization raise money for the various programs we offer. All of the men and women involved are talented, and we are amazed at the generosity of the band members and the sponsors that support this annual industry event."
