NSCA Foundation Announces AMX as Platinum Sponsor for Drunk Unkles' Event in Las Vegas

June 3, 2014, Cedar Rapids, IA - The NSCA Education Foundation is pleased to announce that AMX is the 2014 Platinum Sponsor for the annual Drunk Unkles party and performance in Las Vegas, Wednesday, June 18, 2014.

Dubbed **Insanity at Vanity**, AMX leads the sponsor line up for the Drunk Unkles event that will open to attendees at 8:30PM at the Hard Rock Hotel in Las Vegas. As it has in the past, the event will draw thousands of audiovisual industry professionals to Club Vanity for a night of entertainment. Event attendees include manufacturers, dealers, distributors, integrators, exhibitors, members of the media, and show attendees who come to hear the Drunk Unkles, network with their peers, and help raise money for the NSCA Education Foundation.

Dedicated to integrating AV solutions for an IT world, AMX solves the complexity of managing technology with reliable, consistent and scalable systems. Their award winning products span control and automation, system-wide switching and audio-video signal distribution, digital signage and technology management in businesses, homes, schools and other venues around the world.

"We are extremely proud to be part of such a cool event for such a great cause," said Jeff Kindig, AMX Vice President, Marketing Strategy. "The NSCA Education Foundation does so many great things for our industry and it's truly an honor to participate in this event. The funds raised at this event will literally make a difference in the lives and future careers of people in our industry. And of course, I can't wait to hear what the Drunk Unkles will be performing on stage this year."

NSCA Education Foundation Executive Director Chuck Wilson adds, "The Foundation is tremendously appreciative of the generosity of our sponsors to help our organization raise money for the various programs we offer. Companies like AMX lead the way for a better and stronger tomorrow and support longevity and growth for our industry."

For an invitation to the Drunk Unkles event, visit AMX in Booth #C4908, during InfoComm14 in Las Vegas, June 18. Show runs through June 20, 2014. For more information on AMX, visit www.amx.com. For more information on the Drunk Unkles and the NSCA Education Foundation, visit www.drunkunkles.com or www.nscafoundation.org or email info@drunkunkles.com.

About the NSCA Education Foundation

The mission of the NSCA Education Foundation, a 501c(3) charitable organization, is to advance educational opportunities by providing scholarships and awards to assist existing professionals and those pursuing careers within the low-voltage electronic systems integration industry. The Foundation is committed to the growth of the industry by providing access to the best education and latest techniques available. The NSCA Education Foundation promotes and engages current and future electronic systems integrators in educational experiences to enhance the growth, professionalism and business skills needed in the electronic systems industry. For information regarding additional opportunities to support the NSCA Education Foundation, please visit www.nscafoundation.org.
