SynAudCon Welcomes Cambridge Sound Management As New Sponsor

May 2015 (Greenville, IN) – SynAudCon is pleased to announce that Cambridge Sound Management (CSM), a leader in sound masking technology, has joined the organization's sponsorship program.

Based in Waltham, Massachusetts, CSM is the developer of Quiet Technology and the manufacturer of patented QtPro direct-field sound masking systems. Direct-field sound masking systems help organizations protect speech privacy, reduce distractions and increase workplace productivity.

"SynAudCon provides valuable training to the Pro-AV community and we're proud to support them in this effort," says David Sholkovitz, director of marketing for CSM. "We look forward to contributing sound masking educational resources to SynAudCon members."

CSM was recently recognized by the *Boston Business Journal* as one of the 70 fastest growing

companies in Massachusetts and by *Inc. Magazine* as one of the fastest growing private companies in the United States. The company is actively involved in the healthcare, government, education, retail, and corporate marketplaces.

SynAudCon President Pat Brown adds, "With the rise of open office workplaces and privacy laws, sound masking is more important than ever. Modern audio practitioners need to understand the fundamentals of the technology. We are glad to have CSM join us."
