HERMAN SELECTS BELDEN VENDOR OF THE YEAR

MIAMI, FL., June 19, 2015 – Herman (www.HermanProAV.com), a leading provider of AV products, procurement services, and labor resources to systems integrators in the commercial AV and broadcast industries presented Belden with the Herman *Vendor the Year Award* at InfoComm 2015 in Orlando. Belden was recognized for providing exceptional service and support of Herman's strategic initiatives.

"Our entire team votes on the manufacturer partner that went above and beyond in supporting our partnership and strategic initiatives, said Jeffrey Wolf, Executive Vice President, Herman. "Belden provides us with outstanding support in every facet of our business and has been instrumental in achieving our growth and strategic goals."

"We are very honored to accept this award," said Elizabeth Stephan, Director of Belden Broadcast / AV Sales & Channel. "For more than 50 years, Herman has demonstrated a true commitment to serving our industry. While their services have evolved with the changing needs of the AV market, their dedication to our mutual customers remains a first priority. Paralleled with quality Belden products, Herman's unique value offerings and high level of customer support provides true benefit to integrators and to the industry. We look forward to a continued strong & strategic partnership with Herman."

Herman presented the award at InfoComm, the largest professional AV show in the world, with more than 950 exhibitors and 35,000 attendees from more than 110 countries.

About Herman

Herman is a leading provider of professional AV products, procurement services and labor resources to systems integrators in the commercial AV and broadcast industries. With two distinct and complementary divisions - Herman Pro AV and Herman Integration Services – Herman is the single source for industry leading products, procurement and supply chain solutions, as well as technical labor resources. Systems integrators rely on Herman for complete project coordination and trained, experience personnel. Celebrating 52 years in business, Herman has leveraged its industry experience to help integrators improve operational efficiencies and achieve cost savings related to the procurement and management of project materials and labor resources.
