HERMAN INTEGRATION SERVICES ANNOUNCES MOVE TO HILLSBOROUGH COUNTY

Sales growth creates need to move locations to accommodate expansion.

Tampa, FL (Sept. 2015) – Herman Integration Services (Herman-IS), a provider of experienced technical labor resources to professional AV systems integrators nationwide, is moving to a new location in Tampa, FL starting Sept. 26, 2015. The new office will allow Herman to expand its facility in order to accommodate recent and future growth.

“Herman-IS experienced year-over-year sales growth of 30% for the first half of 2015,” states Chris Bianchet, President of Herman Integration Services. “At our current location, there was simply no additional place to expand. Our new location will enhance efficiency and allow us to grow and provide additional services for our customers, new amenities for employees, and room for expansion.”

Located in the Tri-County Business Park, a multi-tenant office building located in Tampa off of Racetrack Road, Herman-IS will occupy 6,500 square feet. The new facility is almost double the existing facility and meets Herman’s growth plans for the next five years.

Herman-IS’ new address will be:

13400 Wright Circle, Unit E6
Tampa, FL 33626

About Herman

Herman is a leading provider of professional AV products, procurement services and labor resources to systems integrators in the commercial AV and broadcast industries. With two distinct and complementary divisions - Herman Pro AV and Herman Integration Services – Herman is the single source for industry leading products, procurement and supply chain solutions, as well as technical labor resources. Systems integrators rely on Herman for complete project coordination and trained, experience personnel. Celebrating 52 years in business, Herman has leveraged its industry experience to help integrators improve operational efficiency and achieve cost savings related to the procurement and management of project materials and labor resources.
