

SM&W's Julie Fischer to teach ARE Supplemental Course on Acoustics

Wednesday, January 27, 2016 | 6:30pm - 8:00pm
AIA Continuing Education credit | 1.5 AUA HSW LU

This session will provide an overview of the physics of acoustics. Participants will leave with a basic understanding of acoustics and how it influences building design. The course will also offer an overview of acoustics standards and practices, including OSHA and code requirements.

The course is sponsored by the [AIA Northern Virginia Young Architects Forum](#) for those preparing to take the Architect Registration Exam (ARE)

Julie Fischer, LEED AP
BD+C
Senior Associate Acoustics
