

SYNNEX Launches its 2016 Public Sector Specialized Training Roadshows

February 16, 2016 – Greenville, SC – [SYNNEX Corporation](#) (NYSE: SNX), a leading Technology Solutions distributor, has scheduled its 2016 Public Sector focused training roadshows to address how solution providers can uncover and capture the specific opportunities available in public sector markets. The roadshow series has content uniquely tailored for Federal government, state and local government, education (both K12 and higher education), and health care. Public sector is one of SYNNEX’s most established and largest vertical practices.

“Each vertical within Public Sector has its own mission, which is why it is imperative to provide our solution providers with specialized training for each,” said Eddie Franklin, Vice President, Sales, Public Sector and Vertical Markets, SYNNEX Corporation. “Providing opportunities for our customers to meet in person also gives our solution providers the ability to make connections with like-minded organizations and collaborate on how to solve real business problems within these vertical-specific markets.”
