Williams Sound names new German Distributor

Minneapolis, MN – Williams Sound is pleased to introduce MediasPro Medientechnik GmbH as its new, exclusive, commercial sound distribution partner in Germany and Austria, effective June 6, 2016. MediasPro has been a distributor of professional audio equipment since 1999, representing a number of highly respected brands.

“We are excited about our new cooperation with Williams Sound,” says Michael Voessing, CEO of MediasPro. “Williams Sound’s internationally renowned communication systems perfectly complement our current products and will help us to provide fully integrated system solutions for such applications as churches, multilingual conferences, guided tours or audio streaming via Wi-Fi. We look forward to teaming with this outstanding manufacturer.”

Williams Sound’s Vice President of International Sales Doreen Ingebrigtsen adds, “We are pleased to be partnering with MediasPro in Germany and Austria. Their technical know-how, experience with networked audio, professional connections and overall enthusiasm make MediasPro an ideal partner in this important market.”
