SVT Acquires MKE

MKE's expertise in critical communications and security solutions will enhance SVT's ability to serve customers across multiple markets

Brighton, MI, January 5, 2017 – Brighton, MI based IT/AV services and solutions company, SVT is pleased to announce the acquisition of MKE on January 1, 2017. The combined organization expands the solutions and services to customers in Michigan and the surrounding region.

“We are taking a careful but deliberate approach in growing our company to deliver the best services and solutions to our customers,” says SVT President & CEO Joshua Shanahan. “This acquisition provides us additional reach in western Michigan but also enhances our expertise in critical communications and security for healthcare, education, institutional and manufacturing customers.”

MKE began serving customers in 1975 providing customized technology solutions, flexibility, and service solutions in the Southwest Michigan and Northern Indiana markets. MKE will remain in its Kalamazoo location and operate as a branch of SVT. MKE as part of the SVT family, will continue to provide the same level of support and service that its clients have grown to expect over the past 40+ years.

About SVT

Founded as a family-owned American company in 1955 and headquartered in Brighton MI, SVT provides IT centric audio/video and communication services and systems to casinos, concert & event centers, office buildings, hospitality facilities, healthcare facilities, restaurants and retail outlets, lounges and nightclubs, educational facilities and financial corporations.
