HERMAN SELECTS MILESTONE FOR VENDOR OF THE YEAR

MIAMI, FL., June 28, 2017 – Herman (www.HermanAVGroup.com), a leading provider of AV products, procurement services, and labor resources to systems integrators in the commercial AV industry has selected Milestone as ***The Herman Vendor the Year*** presented at InfoComm 2017 in Orlando. Milestone is recognized for providing exceptional engagement across every facet of their partnership and their commitment & support of Herman’s strategic initiatives.

“Our entire team votes on the manufacturer partner that went above and beyond in supporting our partnership and strategic initiatives,” said Jeffrey Wolf, Executive Vice President, Herman. “Milestone is a true partner that demonstrates a level of commitment and support towards enabling us to achieve our growth and strategic goals.”

“We’re honored to receive this award from Herman. We greatly appreciate the recognition from a long-term partner and look forward to working hard to provide this level of support each year,” said Steve Durkee, President of Commercial Products for Milestone AV Technologies.”

About Herman

Herman is a leading provider of professional AV products, procurement services and labor resources to systems integrators in the commercial AV and broadcast industries. Systems integrators rely on Herman for trained, experienced personnel and complete project coordination. Celebrating 53 years in business, Herman has leveraged its industry experience to help integrators improve operational efficiencies and achieve cost savings related to the procurement and management of project materials and labor resources. About Milestone

Milestone AV Technologies is a leading global provider of innovative mounting and display solutions for various audiovisual technologies. Our innovative products, sold principally under the Chief, Da-Lite, Projecta, Sanus and Vaddio brand names, are sold through numerous channels, including Pro AV dealers, regional home theater dealers, consumer electronics retailers, mass merchants and original equipment manufacturers. The brands of Milestone formed independently, and when united, provide the most comprehensive offering of AV solutions in the market. The Company currently serves a broad base of over 6,000 global customers with a U.S. headquarters just outside of Minneapolis, Minnesota.
