

# Code an Ozobot!

*Sponsored by* **alliantgroup**<sup>®</sup>

Join NSCA and fellow colleagues in a team-building event before Pivot to Profit 2019! Each team will be provided with the tools to code Ozobot Evo app-controlled robots! Once completed, these robots will be donated to children who can use them to play, create, and share.

Network, meet new colleagues, and use teamwork to get these Ozobots coded and into the hands of local kids. Email [swashburn@nsca.org](mailto:swashburn@nsca.org) to register!

Sept. 23 • Code an Ozobot! • Sheraton DFW Airport Hotel • 6pm to 8:30pm
