## Cedar Ridge Swisher Sour

2 oz Cedar Ridge Iowa Straight Bourbon Whiskey

1 oz lemon juice

1 oz simple syrup

$\frac{3}{4}$  oz aquafaba  
(juice from canned chickpeas)

$\frac{1}{2}$  oz Cedar Ridge Nine Sixty Five Red Wine  
(or any red wine)

Combine bourbon, lemon juice, simple syrup, and aquafaba to a shaker with ice. Shake vigorously for 10-15 seconds. Strain into an iced rocks glass. (If available, we suggest using a large king ice cube.)

Using a bar spoon, gently pour red wine over the cocktail to create a red wine float. Garnish with a Bada Bing or Luxardo Cherry if you wish.
